

Naturalization Examination Student Results

IC 20-30-5-7(d) requires the Indiana Department of Education (IDOE) to report student data from the naturalization examination to the Indiana General Assembly annually. Therefore, school corporations must provide the naturalization examination to students completing a U.S. government course and report the results to the IDOE.

Each student attending a public school corporation enrolled in a U.S. government course where credit is awarded for the General, Core 40, Core 40 with Academic Honors, or Core 40 with Technical Honors Diploma designation is required to take the naturalization examination provided by the United States Citizenship and Immigration Services (USCIS), administered during the student's high school U.S. government course, including Advanced Placement, International Baccalaureate, dual credit, and Cambridge International courses.

Students are not required to pass the naturalization examination in order to pass the U.S. government course. Retests are not required or published in the results.

School Year: 2023-2024

School Name: Thea Bowman Leadership Academy

Number of students who completed the Naturalization Examination: 31

Number of students who passed: 24

Percentage passed: 77%
